

Katie's Amazing Brownies

½ cup butter, softened
1 ¼ cups granulated sugar
1 tsp vanilla
½ cup non-dairy creamer
1 ½ cups lp baking mix (I use CamBrooke's Baking Mix)
¼ cup (31 gm) all purpose flour
½ tsp xanthan gum (available thru www.ener-g.com or at health food stores)
1 tbsp Egg Replacer
2 tsp baking powder
½ tsp salt
3 tbsp (14 gm) cocoa powder

Cream butter and sugar, then add vanilla. Add dry ingredients in a few batches, adding creamer throughout. Bake at 350 degrees in a greased 8-inch pan for 35 minutes. (After about 20 minutes into the baking time, lightly press down on top of brownies with a spatula to release air underneath top crust.) Cool in pan on cooling rack.

Total yield: 16 brownies
Total phe: 417
Phe per brownie: 26
